Brothers Rugby Club – LADIES DAY 2011

PRESIDENT'S REPORT

The Committee of Brothers Rugby Club Inc. had several objectives for the year just ended. They were as follows;

- (1) To stabilise a seriously deteriorating financial position;
- (2) To continue with the Rugby Development Program;
- (3) To achieve a more mutually rewarding agreement with Brothers Junior Rugby Club Inc.; and
- (4) To gain an extension of the lease over Crosby Park from its expiry date of 21 October 2011.

The ultimate goal obviously is to be success on the Rugby field.

This report measures how we have dealt with the above and whether we were successful in meeting those objectives. Later in the report I will deal with the future of the Club.

Financial position:

A review of our cash position, and forecast for the future, made at the end of the 2010 season indicated a serious financial position. Without an urgent injection of funds we could not meet the debts accumulated or fund the deficit arising from our operation of the Crossbar and the number of employees we had engaged. In addition we had not engaged any sponsors for 2011.

The committee entered into a fully drawn loan agreement for \$100,000, ceased trading in the Crossbar and terminated the employment contracts of the General Manager and staff of the Crossbar, negotiated with the Rugby Manager to take over certain administrative functions, commenced a process of collection of outstanding sponsorship monies and negotiated with existing and new sponsors for 2011.

A sub-lease for the Crossbar area was negotiated with a group that sought to operate a commercial restaurant. The terms of the sub-lease were such that if the operators were successful we could rely on substantial revenue for a long period. Despite the fact negotiations were complete before the end of 2010 the sub-lease could not be executed without approval from the Brisbane City Council. The approval was not obtained until early April 2011.

The injected funds did not deal with all outstanding creditors at the time the arrangement was made and consequently the current year has been one where we have attempted to raise sufficient funds to meet those outstanding creditors and discharge expenses arising during the year.

We therefore enter the off-season still struggling to make ends meet but in a much better position than we were in at this time last year.

We are behind in our commitment to loan repayments however would expect to regain the agreed schedule in the New Year. Des Hogan will report on the results for the year ended 30 June 2011.

I would have to say that reporting on a year that begins in the middle of the prior season and ends in the middle of the current season is hardly enlightening particularly when we use a combination of cash and accrual accounting that, whilst conservative, is fundamentally misleading. I suggest that the committee reviews and recommends to members that we report next on the results to 30 September 2012 or 31 October (i.e. on completion of the 2012 season), and in subsequent years at the 30 September or 31 October.

Employment:

Clearly we were unable to sustain the luxury of a General Manager and a Rugby Manager particularly in an environment where the economy was not robust and the initiative to generate revenue from the Crossbar had failed.

We owe a debt of gratitude to Zane Hilton for the manner in which he shouldered some of the responsibilities of the General Manager whose contract we were forced to terminate.

Zane accepted an appointment to a coaching position in Japan which was an opportunity for him that we felt obliged to ensure he took consequently he resigned prior to the commencement of this season.

Fortunately for Brothers, Zane steered Adrian Thompson our way and Adrian took up the responsibilities of Rugby/General Manager.

Adrian had an enormous capacity for work, brought a mature approach to the tasks at hand, was innovative and a delight to work with. I am sure he had a positive influence on the players and added something that saw Premier Grade almost achieve a goal not expected of them after 2010.

Adrian has also moved on to a role that will challenge him even more than dealing with the difficulties he has encountered at Brothers.

We have high hopes for Matthew Kaye as he steps into the role of Rugby/General Manager coming as he does from a local and international background of coaching and skills development.

Rugby Development Program:

There is no doubt that this somewhat ambitious goal of progressive improvement of players and coaches across all grades was neglected through the 2011 season. There are reasons for that primarily amongst them being a lack of definition of roles and responsibilities particularly at the commencement of the season. In fact with the concentration on administrative tasks that had been neglected, player and coaching development, as a formal program, went by the wayside.

That neglect also meant that Colts recruitment for 2011 was haphazard, lacking proper planning and execution. As a consequence, even though the Colts group played manfully and achieved some success and developed a great spirit, player numbers and results were below expectations.

Rugby Success:

We were well represented as a Club by our Premier Grade side.

After our early exit from the finals in 2010, and the disruption to coaching ranks early in the season, supporters could be forgiven for not having high expectations for the Premier side in 2011. In fact they achieved magnificently, being second on the ladder for most of the season, gaining the top position after a stunning victory over the premiers from 2010, University, and finishing the season in second place.

Their success in the minor semi-final was a display of real spirit and an absolute shock for the minor premiers University. Two weeks off was not a luxury they have enjoyed in any of the three grand final appearances for this team in the last five seasons.

Whereas our supporters were so impressed by the fire power of the opposition, Sunnybank, they only hoped Brothers would put up a "good show", the team itself was confident of a win, so great is their belief in each other and, by now, their coaching staff. It goes without saying they did a lot more than supporters had hoped for, but were disappointed themselves in not achieving their dream.

We can only wish every one of them congratulations on a job well done and admiration for their tenacity and guts as they strove much against the odds. We can also thank the coaching staff that performed magnificently – well done Adrian, Carl (Marshall) and Des (Kissane).

Unfortunately injuries and a shortage of numbers in pivotal positions meant the other grades were up against it particularly First Grade who failed to make the finals. Second Grade played the elimination final but were not successful and Third Grade were knocked out in the minor semi-final the week prior.

No Colts team made the finals, a matter that is being addressed currently. A strong recruitment and retention sub-committee has been formed and has made giant steps forward in the last several months. That committee will continue to operate throughout the off-season and next year's season as a football management committee.

Brothers Junior Rugby Club Inc:

I would have liked to be able to report that we had agreed to a licence for use of the grounds and facilities and had completed an agreement for management of those shared facilities with Brothers Juniors. The negotiations have however reached in principle agreement for long term tenure for Brothers Juniors and for a process that ensures both clubs are equally responsible for the operation, maintenance and renewal of the facilities at Crosby Park.

Such an arrangement will simplify the process of dealing with the matter of compensation for costs associated with the sharing of grounds and facilities and allow the development of a cooperative and rewarding relationship between the two clubs.

Extension of the Crosby Park lease:

This matter would not have reached the stage it has without the efforts of Dick McGruther and the voluntary input of town planner, Tim Connolly.

We have received a letter from Council advising that they agree to an extension of 20 years with some changes to the existing boundaries after the completion of community consultation of the overall Crosby Park Plan. It appears to us that the only contentious issue for that consultation is the off-lease dog area that will not affect the Club in any way.

The Future of the Club:

There have been several instances during this year, and even prior, where I and others have questioned the strength of support for the Club.

Some regular supporters have commented that the Club is always seeking money, and in fact this is true as it is the only means by which we can survive, but if we concentrate on too few supporters to the point where they are disenchanted, we run the risk of having too few supporters for survival

For many years we may have taken supporters for granted and neglected to ensure that those who have finished their playing careers are still part of the team.

I think we expect supporters to help the Club but do we in fact give them any reason to do so? We live in an era now where people have different priorities and staying in touch with an aspect of youth may not be one of them particularly if they see little benefit in doing so.

Without broad and considerable support the future for this club as a force in Brisbane Community Rugby is fast coming to an end.

We as a committee have recognised this but we can't say we have the answer. We believe that communication is the start and that requires an upgrade of our capacity to do so through improvements in our web-site and its capabilities and a vast improvement in the integrity of our database an asset that has been neglected for quite some time.

The upgrade will introduce member interactive capability that will allow us to survey the database that now exists; so we can learn more about those who claim or once claimed an allegiance to Brothers; find out what they require from the Club to re-engage; find out how we can provide them with value from a membership which is now and has been for quite a few years perilously low; and encourage them therefore to become members of the Club.

A strong membership base, something we lack, may allow us to launch programs that will attract sponsors and advertisers. Members may be enticed back to games and induced to purchase merchandise, on-line, refreshments at or after a game, raffle tickets or entry tickets to fund raising events, or donate either time, kind or cash.

There is no doubt the football product at Premier Grade level is worth watching and the team has presented supporters with four appearances in the last six grand finals.

There is no doubt however that the Club has neglected, more through a lack of resources than intent, the comfort of supporters. To improve facilities requires a joint venture of all of the users of Crosby Park and some financial commitment from Government.

We have negotiated an agreement with Brothers Juniors for shared management of the facilities which will allow us to approach Government on a united front for the purpose of gaining a fair share of grants to be allocated in future for upgrade of facilities.

Raising revenue sufficient to ensure the continued operation of the Club and to redress the neglect of the past is not automatic. Sponsors also require some return for their largesse and now days mere appearances in grand finals does not constitute return.

Sponsors are looking to be part of a network that thrives on supporting its members. Obviously the businesses that do support us want the opportunity to do business with the members of the networking club i.e. fellow sponsors, businesses run by members and supporters and members and supporters themselves.

The lack of substantial active membership and supporter base that we can communicate with effectively means we lose out on the contribution that the members and supporters can make and the ability to attract and retain sponsors.

We really have no choice than to speedily work at ways and means to re-engage with those men who have passed through Brothers, provide what attracts them and build our membership and active supporter base significantly. That will be the main aim of the next committee I just hope we have the time to be successful.

The Committee for 2012:

The structure of the committee, and the roles of committee persons for next year, has changed in a way that will allow for accountability and responsibility for those who seek election.

To the committee for 2011 I thank you for your support and sometimes indulgence. I doubt anyone found it that easy, and sometimes some of you may have questioned your decision to work so hard without rewards. We certainly need to believe that the job we do is worthwhile and commit to continuing.

To those that are leaving the committee this year thank you for your effort and to those that are coming on we look forward to your input and participation.

RUGBY MANAGER'S REPORT

2011 pre-season training started well before Christmas for players who were part of the Premier squad. Like all clubs the Brisbane floods disrupted training but by mid January all coaches and many players had started preparations. It was a very long pre-season given the late start to the season.

We finished the season with three very competitive club trials against Sunnybank, GPS and Uni. These trials were a big success although unfortunately proved we were unable to field a 3rd Colts team. This is an area which needs to be rectified for next season.

Early season fixtures provided good results for the senior teams and mixed results for our Colts. As usual injuries played their part but in most cases teams were able to overcome this. The first round finished with most teams either in the Top 4 or just outside it. Special mention must go to our Normanby Cup boys who were undefeated at the end of the first round. Our Normanby Cup and Wyatt Cup teams are an important part of the club who sometimes do not receive the recognition they deserve.

The second round saw Premier grade and 2nd grade secure a place in the Top 2 and 3rd grade was also successful in making the Top 4. There were some definite hard luck stories. 1st grade battled on bravely only to miss the finals by 1 point. This was a fantastic effort given the number of disruptions caused by injuries in Premier grade. 4th grade battled on bravely to still be in contention with 2 weeks to go only to eventually miss out. A really positive part about the end of the season was the way the colts finished off. Premier Colts and Colts 1 both finished the season strongly and this is a good sign for next year.

Finals footy is always a challenging experience. The 3rd grade boys met a strong GPS outfit and were eliminated in the minor semi. The 2nd grade team did not play well in the major semi against Uni and were forced to play Sunnybank in the prelim final. They were beaten by a better team on the day but played well and can be proud of their efforts. The Normanby Cup team made the Grand final only to be beaten in a great game by GPS.

The Premier Grade team qualified for the Grand Final after a thrilling last gasp win against Uni. The grand final against Sunnybank lived up to the pre-game hype. After 50 minutes Sunnybank lead 29-5 and things did not look good for Brothers until 3 tries in 10 minutes reduced the margin to 5 points. Two late penalties to Sunnybank meant they secured the Hospitals Cup but every Brothers person should be very proud of the team's efforts.

I would like to take this opportunity to thank all the coaches and managers of all teams. Your tireless work does not go unnoticed. I also would like to thank your families for their patience and involvement in what has been a huge year for all involved. Without people like you this club would not be able to be as good as it is.

I have finished in my role with the club. It is been a privilege to be involved with one of the most famous clubs in the world and I wish all well for 2011.

FLYNN-LEWIS Memorial Shield vs. G.P.S. Old Boys

LT. H.M. Flynn D.C.M. - FLTLT. L.S. Lewis Memorial Challenge Shield

The Flynn-Lewis Memorial Shield is a challenge trophy which will be contested annually by the Brothers and GPS Rugby Club's. The Shield has been named in honour of a past member of each of our Club's, who not only contributed to their respective Club as a player but served their Country during the dark times of War.

However, rather than using the existing model of the Templeton-McLean (Brothers vs. University), Pilecki-Shaw (Brothers vs. Wests) and Cromwell (GPS vs. Easts) Cup ties as Premier Grade only contests, the Club's have decided to make this Shield a whole of Club challenge where all teams from Premier Grade to Colts 2 contribute to the overall result.

The Shield can be only challenged for at the Holders home ground during the home and away season.

Hugh Michael Flynn (1887-1917):

A product of St. Joseph's College - Gregory Terrace, Flynn was a foundation player of Christian Brothers Football Club in 1905. Flynn went on to play in 7 Senior Grade Grand Finals winning 4 Premierships; 1907, 1911, 1912 (Captain), 1913 (Captain). He also played in 10 matches for Queensland in 1911, 13.

In May 1915, Flynn enlisted into 4th Lighthorse Regiment (3rd Field Ambulance) of the 1st Australian Imperial Force. Whilst serving on the Western Front in 1916, he received the Distinguished Conduct Medal (D.C.M.) for conspicuous gallantry in; "carrying the wounded over open country under very heavy shell fire", back to front line trenches for medical treatment.

Unfortunately Lieutenant Flynn was killed in action in the Battle of Menin Road, Ypres on the 20th September 1917.

Llewellyn Stanley "Wally" Lewis (1912-1990):

A product of Brisbane State High School, Lewis played for Queensland 32 times from 1931-40. He also played 4 tests against the All Blacks in 1934, 36 and was a member of the 2nd Wallaby Tour to the United Kingdom and Ireland in 1939 which was subsequently cancelled due to the outbreak of the Second World War.

A noted Clubman of the GPS Club, Lewis served on the GPS Executive was also the Club Captain in 1937 and 1938. He was made a Life Member of the GPS Old Boys Rugby Club in 1940 for services rendered.

In April 1942, Lewis enlisted into the R.A.A.F. Flight Lieutenant Lewis was demobilised from the R.A.A.F. in January 1946.

VALE

John McCullagh

It is with great sadness that Brothers wishes to inform you of the passing of John McCullagh. John was a tremendous contributor to the club as both a long serving President of the Junior Club and member of the Senior Board. Our sympathies are extended to John's wife Colleen and sons Daniel, David and Michael.

John's Funeral Service which is to be held in the Pinnaroo Lawn Cemetery Chapel, Graham Road, Bridgeman Downs, Tuesday, 5th July, 2011, at 12.00 noon.

Helen Felsman

We also wish to extend our sympathies to the Felsman family on the passing of Helen. Helen was the mother of club member and former player Greg and the grandmother of current player Mitchell.

Family and Friends are warmly invited to attend Helen's Funeral on Monday, 4th July, at the Mary Immaculate Catholic Church, Edmund Rice Drive, Ashmore, Gold Coast, at 10 a.m., followed by Burial at Southport Lawn Cemetery.

Ross Johnston

Ross Johnston was born and bred in New Zealand, where he attended New Plymouth Boys' High School. An avid All Blacks supporter, Ross was a walking dictionary on All Black history. After arriving in Queensland to marry his lovely Aussie wife, Dawn, he continued to support the All Blacks, but he also proudly supported his "adopted country" whenever the Wallabies played any other Rugby playing nation.

"Rossco" as he became known, lived with his family in Crosby Rd – almost opposite Brothers. A then well-known radio personality, Russ Tyson, often complained about the excessive noise generated from the newly-opened Brothers Clubhouse in 1972. Ross' introduction to Brothers came about in unusual circumstances.

Ross was not a Catholic, and he incorrectly thought that he might not be welcome at Brothers. Because of his love of rugby and beer, one Sunday afternoon he said to his wife, Dawn, 'Damn it! I'm going over to that Brothers mob for a beer.....All they can do is chuck me out!' There were about 25 drinkers in the Members bar that Sunday when Ross appeared. "Scuse me" said Rossco to the bar staff, half expecting to be thrown out, "I'm a neighbour from across the road". The Bar people instantly thought he was another Russ Tyson who had come to complain about the noise from the Clubhouse, and hastily introduced this new neighbour to all the drinkers! Those members shouted him for several hours that afternoon. When Ross finally stumbled home to his wife he is reported to have said: "Those Brothers bastards are a great mob after all!" The rest is history.....Ross never left Brothers, and was a devoted supporter for almost 40 years!

Some of the positions that he held at Brothers included: • Team Manager for Tich Reid's Under 18 teams • The first Public Address Announcer at Brothers' home games • He was also ground announcer at Ballymore for a time • Chairman of the very successful Colts Sub Committees at Brothers for several years • Brothers delegate to the QJRU • Chairman of Brothers' Licensed Club • Committee member of Brothers' Rugby Club • Seller of raffles to raise money for under 19's tours to Fiji and NZ • A keen supporter of the club, both on the field, at the restaurant, and wherever he could help.

Elizabeth (Betty) Breen

Betty was the mother of former Brothers Rugby Club member and player's John (deceased) and Tony Breen. John served on the committee of Brothers, QRU and ARU and was also a Life Member of the QRU. John was Wallaby manager for the 1991 Australian Rugby World Cup team.

ARU "WALLABY HALL OF FAME" – 2011 Inductees

Former Brothers, Queensland and Australian captains; **Paul McLean MBE** and **John Eales AM** have been inducted to the Wallaby Hall of Fame for 2011.

Paul McLean made his debut against the All Blacks at the SCG as a 20-year old in 1974. Over the next eight years, Paul McLean would accumulate 31 Test caps, be widely acknowledged as one of the world's finest goal-kickers, and play a key role in the emergence of Queensland as a powerhouse on the domestic Rugby landscape. He also played in a further 40 non-capped international matches.

McLean ended his career with a perfect winning record as captain. He was in charge for one Test, with the Wallabies downing Fiji 22-9. When he retired in 1982, he did so as Australian Rugby's highest Test points-scorer.

A leader on and off the field, McLean continued in the game after his playing retirement as a holder of high office at both the Queensland Rugby Union and Australian Rugby Union.

McLean spent two years as first grade coach at Brothers and four years as club president before succeeding his former Queensland and Wallabies coach Bob Templeton as President of the QRU for six years. He also served as ARU President from 2005 to 2009 and spent two years on the iRB.

John Eales made 86 Test appearances over a decade and captained the Wallabies 55 times. Under Eales the Wallabies won a World Cup in 1999, held the Bledisloe Cup from 1998 to 2001, two Tri Nations in 2000 and 2001 and a series win against the British and Irish Lions in 2001.

He was also a member of Australia's winning team in the 1991 World Cup final at Twickenham. Eales ended his career by leading Australia in a further seven Tests in 2001 when the Wallabies also won the Tri-Nations.

Eales was elected unopposed to the Board of the ARU in 2010.

CLUB CAPTAIN'S REPORT

Season 2011 was a year of change, cultural development, challenges and in some ways many new beginnings.

Season 2011 has been that of a memorable one. The year started fresh with Adrian Thompson taking the role of Premier Grade coach and club General Manager. His back to basic approach to football in his 9 months with the club saw a return of enjoyment and a definite hunger to regain the premiership title last held in 2009. Adrian's coaching efforts saw some unfamiliar faces and a handful of young butcher boys make their premier grade debuts this year, cementing regular places in the clubs 1st XV giving the future of the club a very promising look.

As a club we fielded 9 teams in 2011 starting with Premier Grade down to 2 Under 19 Colts sides, and for the first time since our centenary year 2 Friday night teams. Of these nine teams, 4 teams achieved final appearances with 2 reaching Grand Finals. Normanby Cup, the first of the 2 grand finalists just missed the cherry in their nail biting grand final, unable to capitalize on scoring opportunities close to fulltime. Division 1, 3rd Grade bowed out with a mighty effort losing to GPS in a knock semi final, while Division 1, 2nd Grade went one step closer eventually suffering a disappointing loss to a strong Sunnybank outfit in the major semi final. Premier Grade took the easy approach to the final series defeating University in the minor semi final to head straight into the big one to face a highly favored Sunnybank unit. The game took off in a flash. Before you could blink the Bankers were up 17-0 and half time were upon us. Despite an enormous effort that saw the boys in blue dominate the 2nd half and put the fear of god into a team laced with Super Rugby stars, Sunnybank were eventually crowned the premiers of 2011.

Season 2011 showed plenty of promise for the future, with teams Premier Grade to 3rd Grade finishing between 2 and 5 on their respective ladders. It was a disappointing year for our 2 colt's sides, but both unleashing their talent late, finishing the season on a positive note winning the final 3 games, achieving a definitive hunger to improve for season 2012.

Off the field the club continued to boast its cultural strength and spirit throughout the grades and colts which spilt over into the senior junior club teams. It was an exciting start to the year socially with great numbers supporting player functions and generously volunteering time to a club that without this support would fail to launch each year. Of the off-field achievements in 2011, the refurbishment of the "Green Shed Bar" was easily the greatest. A collective group of senior and colts players selflessly devoted endless hours of labour & their own money (combined with generous club supporters) to create a stylish players bar that is modern and already played host to some of the greatest nights at Brothers Rugby Club.

Colossal thanks and gratitude must again go to the committee of 2011, who without their tireless efforts the club would not function in any order or achieve the on and off field success Brothers members have seen over the past couple of years. A special mention to the return of the Brothers Golf day was undoubtedly one of the days of the year where club sponsors, members and players all took to the links of Indooroopilly Golf Club in a much appreciated fundraiser to ensure the club can maintain its current financial position and continue to grow in future years.

2011 saw a mixed result of success and disappointment on the field. With 2012 already in preparation to exceed the heights and resurrect the lows felt this year ensures Brothers Rugby Club is as strong as ever, and I look forward to lining up with you all in January to do it all again.

TEAM REPORTS

Premier Grade

The extended Premier Squad of 40 excited souls started back at Crosby Park the first week of January full of enthusiasm for the 2011 season.

The pre-season camp unfortunately had to be cancelled, but the Premier Grade group decided to travel north to Stockland Park in Kawana and run a training session for the boys and girls of Brothers Rugby Club – Sunshine Coast in an attempt to spread the word with our Country Affiliate. The Bhoys ran training sessions for the junior teams and ended up getting a lot out of working with the kids and their parents. We were also fortunate to meet with Paul Casley and Clayton Williams two of the founding members of Brothers Rugby Club – Sunshine Coast and seeing how the Brothers Brand is growing throughout Queensland.

With the early start of the new Super Rugby season, the members of the Queensland 2nd XV embarked on a series of matches against Fiji, Samoa, Tonga and ACT 2nd XV. Brothers were fortunate to have a number of Premier Grade players involved in the 2nd XV programme; with Dominic Shipperley, Mitchell Felsman, Dallan Murphy and Andrew Coady gaining some quality game time and experience in these fixtures.

The end of February saw Zane Hilton step down as Premier Grade Head Coach and Rugby Manager to take up a professional coaching appointment with the Kyuden Voltex in Japan as an Assistant Coach. Brothers was fortunate to gain the services of a highly credential Coach in Adrian Thompson, who just happened to be the former Head Coach of the Kyuden Voltex.

Adrian is a former Premier Grade coach of Eastern Districts (Brisbane), winning a premiership with them in 1999. He has also coached Queensland (2001-2004), Australia 'A' (2002-03) and Kyuden Voltex (2005-11) in a stellar professional career.

Round 1 of the Queensland Premier Rugby season kicked off with a convincing 53–12 win against Norths at Hugh Courtney Oval. The game also saw Iosefo Tabalala, Matt Smith, Kapa Moeke, Sinave Fonoti and Dustin Henegan make their Premier Grade debuts for the Club.

Iosefo Bele Tabalala or "Bellsie" came to the Butcher Bhoys via the Fiji Warriors side that played a trial match against the Melbourne Rebels and then Pacific Rugby Cup fixtures against the Junior Waratahs, Queensland 2nd XV and the Brumby Runners prior to this year's Super Rugby Championship.

Dom Shipperley also made his Super Rugby debut for the Reds against the Hurricanes in Wellington; he would go on to gain 7 caps for the Reds in their Championship winning season.

Brothers' first home game of the season was against Souths and the bhoys were too strong for Souths, defeating the Magpies 26-10. Angus Cameron, who came to Brothers from Q-Cup Club Norths Devils also made his Premier Grade debut.

Brothers won their 3rd game in a row when they GPS 46-12 at Yoku Road Sports Ground, the game had extra significance with Damon Murphy playing his 100th Premier Grade game for the Club with a dominating display. James Carter and Lachlan Creighton also joined the season's list of Premier Grade debutants.

The annual Tradition Day fixture between Brothers and University at Crosby Park is always a spirited affair. With Queensland having a bye in Super Rugby our Reds players, Will Chambers and Dom Shipperley were available to turn out for the Butcher Bhoys. Unfortunately the Red Heavies put pay to our early season winning streak with a hard-fought 20-13 win

The match against the Gold Coast took on added significance with the players wanted to bounce back from the disappointment of the week before. Matthew Dews became the 2nd player this year the play playing his 100th Premier Grade game for the Club. The Bhoys recorded a convincing 62-0 win over the Gold Coast and Dewsy even notched up two late conversions to celebrate the win. Jon Roussetos and Cam Massie also made their Premier Grade debuts.

The IRB Junior World Championship was held in Italy from 5-21 June and Brothers player Dominic Shipperley was initially selected for his second Championship. However Dom was released from the team so

he could continue to play the Reds in the Super Rugby Competition. However 2 former Brothers players in Ted Postal and J.P. Pradaud were selected in the 2011 Australian U20 team.

The player group headed to Sunnybank full of confidence ready to take on the 'Bank at their home ground. The Bhoys notched up yet another impressive victory, beating Sunnybank 28-24 in one the upsets of the season.

Brothers travelled to Stockland Park, Kawana the home of Brothers Rugby Club-Sunshine Coast to take on the Stingrays in Round 7 of the Hospitals Cup. The game was an opportunity to extend our winning run leading into the mid-season bye. A fantastic defensive effort to repel the repeated scoring efforts saw Brothers take home a 17 points to 11 win. This was a game that set up our season on the way to the finals.

A healthy crowd gathered at Crosby Park for the 6th Annual Ladies Day, but before everyone had time to even find their seats the Tigers showed their intentions and crossed for their first try. However Brothers, who were playing in pink in support of Kim Walters Choices Breast Cancer Research, were not going to be out done and scored one of their own to make the score 7-5 to the visitors barely 10 minutes into the game. This would be how the game was played out, with each team taking turns to score points; unfortunately the Tigers would end up winning the game 35 points to 28.

Premier Grade Captain Dallan would make his Super Rugby debut for the Reds against the Chiefs in Hamilton on the same day.

Brothers kept in touch with the competition lead with a powerful 39-15 victory over Wests in Round 9 of the Queensland Premier Rugby competition at Sylvan Road. The tradition match between Brothers and Wests also saw the Pilecki-Shaw Cup up for grabs, the dominant victory meant the Brothers holds the Cup again.

The mid-season bye saw the 3rd Annual City-Country carnival take place at Ballymore. With Brothers sitting in 2nd place on the Competition behind Easts on 7 wins and 2 losses, it meant that a number of our players would be involved in the Metropolis teams to play Queensland Country. Andrew Coady, Matt Dews, Sam Grasso, Dallan Murphy, Nathaniel Gendle and Charlie Freney were selected in the Open City team with Brothers Premier Grade Coach Adrian Thompson appointed as the Coach. Luke Beauchamp and Mitch Felsman were also selected in the City U19's team, with Beachy captaining the side.

A Grade – Queensland Country 27 defeated Brisbane 26
Under 19 – Brisbane 20 defeated Queensland Country 19

Brothers' Premier Grade Assistant Coach, Carl Marshall was also busy during the mid season break. Carl was appointed the Head Coach of the Queensland Schools team that contested Australian Schools Rugby Union Championships at Ballymore. His dominant Queensland 1 side defeated archrivals NSW I 37-20 in the final and claimed their sixth consecutive national title.

The start of the second round saw Brothers take on Norths at Crosby Park and emerge with a strong 30-18 victory. The match also saw Tom Favell and Ryan Schultz, a former Norths player, make their Premier Grade debut.

The Bhoys then took on Souths at Chipsy Wood Oval and handed out a rugby lesson to the struggling Magpies by defeating them 52 points to 21 in the Round 11 fixture.

The home game against GPS also doubled as the inaugural Flynn-Lewis Memorial Shield challenge match. With the lower grade matches results split 3-all; this meant that the winner of Premier Grade game would win the Shield for their respective Club for 2011. Fortunately the Bhoys continued their winning ways and defeated GPS 34 to 21 to extend their winning streak to 4 games in a row and take out the Flynn-Lewis Memorial Shield.

The Templeton-McLean Cup was on offer in the Premier Grade fixture against University at St Lucia. University enlisted to services of Wallaby Matt Giteau into their team which included another 2 Wallabies and if you believed the press leading into the match, the Students had already won the game.

However they forgot to tell the Brothers players and with their trademark tenacity went on to produce a stinging 24-22 win over the star-studded University line-up.

Brothers travelled to the Gold Coast to take on the Breakers with the hope of extending the current winning streak to 6 in a row. This match also saw Andrew Coady play his 150th Premier Grade game for the Club and

Paea Siulangapo making his debut. The Bhoys worked hard and finished the road trip with a dominant win over the Breakers by 47 points to 6.

James Carter was selected to represent Brothers in the New Zealand Marist Colts Tour of Waikato and the Bay of Plenty. James continues the tradition of Brothers sending a promising player to New Zealand to gain experience in different styles of play and conditions, which has been in place since 1999.

Confidence was high amongst the player group as they headed into Top 4 clash with Sunnybank at Crosby Park. The game started well and was going to plan with the Bhoys up 15-3 at half time. However this would be a game of two halves, with Sunnybank coming out firing after oranges and putting on 30 unanswered points to win the game 33 points to 15.

Sam Grasso, Charlie Freney and Mitch Felsman were also invited to attend the Australian 7's training camp in Sydney. This was a golden opportunity for the bhoys to be involved in a professional football set-up and showcase their skills with an eye to gaining possible selection in the Australian 7's programme.

The Bhoys bounced back from the defeat in the previous week to hand out a rugby lesson to Stingrays. The 64 point to 3 win, was a resounding result but the most significant highlight was the fact that they didn't let the Sunshine Coast cross the stripe to score a try. Anthony Pyers also had a field day scoring 4 tries in the game and Corey Meehan made his Premier Grade Debut.

Luke Beauchamp and Mitchell Felsman were selected in the Australian Academy U19 side which played the English Schools team at the Sydney Grammar School in Sydney.

Brothers travelled to Bottomley Park to take on Easts in the 79th Welsby Cup Final. The Welsby Cup is contested by the top 2 teams at the end of the 1st Round of Premiership fixtures. Unfortunately Brothers fell agonizingly short, with Easts converting a penalty goal just on full time and winning the Final by 16 points to 13.

Brothers' players, Dominic Shipperley, Mitchell Felsman, Dallan Murphy, Andrew Coady and Nathaniel Gendle were named in a Queensland XV to play Canada in a mid week fixture as a warm-up to the Rugby World Cup in New Zealand.

In the final game of the Home & Away season, Wests caused a massive upset in defeating Brothers 20-17 at Crosby Park. The Bulldogs also claimed the Pilecki-Shaw Cup for the first time. Even with this loss Premier Grade still finished second and would take on traditional rivals University in the Major Semi-final.

The Butcher Bhoys headed to Ballymore for the Major Semi-final against University full of confidence and self belief. The game developed into arm wrestle, however University got out to an early 14-3 lead, but the Brethren managed to fight back and go into half time up 15-14. The player group was quietly confident as they had seen that no matter what the Red Heavies threw at them they always had an answer.

With only 2 minutes to play and the scores tied at 23-all, it looked like extra time beckoned the combatants. However Dom Shipperley received the ball down the right flank before showing both speed and elusiveness to evade multiple University defenders in a 30 metre dash to the line to score the match winner. Brothers were through to the Grand Final with a 30 point to 23 win and would get the week off to prepare for the "BIG DANCE".

The 2011 QRU – Premier Grade Grand Final would turn out to be match of highlights for the code in Queensland. In the 125th season of Club Rugby in Queensland, Brothers would contest its 50th A Grade Grand Final and would play Sunnybank for Hospitals Challenge Cup for the first time.

Sunnybank scored within the first 10 minutes of the match and with the help of a penalty and then a penalty try pushed on towards halftime; however Dom Shipperley narrowed the gap with some outstanding play and scored an unconverted try to go to oranges only down by 17 to 5.

Another Sunnybank try early in the second half and an interesting penalty try to the Dragons saw them with a 29-5 lead in the second half before three tries in the space of 10 minutes to Anthony Sauer, Damon Murphy and Nathaniel Gendle set the scene for a dramatic climax to the Grand Final with the score at 29-24 to Sunnybank.

Two late penalties to Sunnybank in the last 8 minutes unfortunately killed off Brothers brave second half fight back and saw them take out the 2011 Queensland Premier Rugby Grand Final 35 points to 24. I hope you all take pride in the lionhearted effort you displayed on Grand Final day and aren't too disappointed.

I'd like to take this opportunity to thank Adrian for allowing me to be the Manager of this year's Premier Grade team; it's been an absolute pleasure. Getting to work with a Professional Coach with international experience was a fantastic opportunity that I'm very grateful for.

To Adrian Thompson, Carl Marshall, John Druery, Ian Astbury, Tom Sayer and Joel McPhee; thanks for your patience, assistance, feed-back and good humour throughout the year.

To the 36 Players who played Premier Grade this year, thanks for your help, camaraderie, good humour, positive feed-back and assistance in making this season a most enjoyable one. I hope you take time to enjoy the fruits of your labour and look back with a sense of pride on the season you had.

Premier Colts

The 2011 Colts season got off to a less than favourable start with player numbers down on previous years and a great deal of angst among the player group. In the lead up to the third trial against University some of the issues would culminate in the reins being handed over to Guy Ledwidge and Alan Beauchamp to coach Premier Colts for the 2011 season. Guy and Alan took on what promised to be a challenging year.

After a shaky start, we were 1 from 3. Round 3 was also the last time we'd have our Captain Luke Beauchamp or Fullback and Five-Eighth Mitch Felsman, with both being promoted to Premier Grade for the remainder of the season. Mid way through 2011 and we were 2 wins and a draw from 9. However, there was a real positive feeling and a great sense of mateship in the team. The season continued in similar fashion. The coaches and managers trying everything to figure out why the guys would put in some great efforts at training yet weren't able to produce on game day.

With three rounds remaining Guy had had enough and decided we'd take training away from the football field and into a boxing session. It was a chance for the guys to let off a bit of steam and train in a different environment. This was followed by a night of games prior to the weekends match. This relaxed week of training was the start of a three week points scoring spree that ended our season on a relative high with three wins back to back.

Although 2011 was not as successful as we'd have liked, the amount of character, maturity and accountability shown by the player group was beyond their years and they should be very proud of themselves in that regard.

I think it's safe to say 2011 was a great learning year for the club from a Colts perspective. A number of measures have been planned and some already implemented to ensure player numbers are up in 2012.

Congratulations also to Luke Beauchamp and Mitch Felsman, both playing Premier Grade for the majority of the year and selected for City U/19's and the Australian National Academy U/19's. A great effort that speaks volumes of the type of players Luke and Mitch are. Well done to both of you!

Thanks to Guy and Alan for your efforts, the players had a great deal of respect, admiration and appreciation for you guys. Thanks to Denis O'Rourke, the man they call Rugby and for good reason; your tireless work through the year made everyone's job a lot easier. Also thanks to the Colts One staff: Graeme, Mepi and Tracey, the medical staff, Adrian Thompson and Anthony McDermott for all your help along the way. Looking forward to 2012 and all it holds for Brothers and the Colts program.

Division One – 1st Grade

The 2011 season was definitely a lot of fun a good playing roster and coaching/management staff.

The start of the season wasn't a good one a few losses and struggling against some teams we should have controlled, until the second round. Then we started to put things together shows how important a good start is. Missing the finals by one point hurt.

A large number of players got a start in Prems this season which is very pleasing, Matt Smith, James Carter, Lachlan Creighton, Gus Cameron, John Roussetos, Ryan Schultz, Sinave Fonoti, Dustin Henegan, Ernest Skelton, Cam Massey and Corey Meehan. We believe that next season a lot of them will be permanent in Prems. We were also lucky to have the services of some very talented players, Anthony Pyers, Kapa Moeke, Tom Sayer, John Gabbett, Jackson Darby, Wayne Robinson, Lindsey Gauld, Sampson Hatfield, Ben Hicks, Harry Symes, Thomas Favell, Scott Fayle, Simon Obongo and Salvador Palha.

A pleasing thing about this season was the big improvement in our set pieces and defence, such a big part of the modern game. We were happy with the leadership skills of a lot of players especially Dusty and everyone else who helped the ref make decisions.

Brendan Gabbett and his wife had another baby during the season. A well done from all the team and look forward to seeing you and the family again next year.

The Coaches (Gabbett, and Kissane) and Managers (Sandy Prestege, Paul Favell) congratulate the team and hope to see you all again next season to finish off some unfinished business.

Division One – 2nd Grade

The minor premiers season for second grade was quite successful with 13 wins and five losses. These results enabled the team to finish second on the ladder at the end of the competition rounds.

Unfortunately in the finals the team ran into a very good University side (the eventual premiers) and lost the major semi-final 26-5. The next week against Sunnybank in the preliminary final the team was unfortunate to go down 26-20 with the both sides scoring two tries and penalties goals ending up the difference.

Thanks must go to all the players who were a part of this team this season (be that playing, reserving, running water etc). Without the commitment and application of the players to being part of Brothers Rugby Club, ranging from training to playing to socialising, there would not be anywhere near the level of club spirit and the success that comes with this.

Congratulations to our award winners – Best Back Christopher Ferraro, Best Forward Luke Williams and Best and Fairest John Wicks.

The physiotherapy and sports management support provided by Joel McPhee and Ian Astbury (and their able assistants) was also greatly appreciated by the team. The support of the coaching staff of the other teams was also greatly appreciated through the season.

Thanks must also go to John and Sandy Diamond for all the time and effort they put into assisting a number of the club teams to ensure they had jerseys, water and got the book filled out correctly amongst other things.

Finally thanks must go the other coaches of the team Alan Beauchamp (although only for a short period with this team), Peter Pettinari and Peter Williams. Through the season they ensured that during training and on game days that everything was well organised, the task at hand was being focused upon and that we were always looking for ways and means to continue developing.

In conclusion season 2011 was quite successful but fell short the ultimate result. I hope that on balance all the players who were involved with this team enjoyed the season and that they all have taken something from it.

Division One – 3rd Grade

Overall a much improved season for 3rd Grade this year, finishing 3rd in the competition over GPS with tied points but a far better scoring average. This made it all the more difficult to accept the loss in the first semi final. 3rd grade making semi-finals was no doubt aided by our attacking force which resulted in us being the 2nd ranked offensive side home and away in the Competition. Our defence at times lacked focus and will be the coaching staff target to improve for next season with our ranking this year being only 5th ranked.

Individual highlights in the forwards this year being stability in the 2nd rowers with Liam Blake earning himself 'Best forward' and James Vail holding the pack together. Front rower Trent Bourke earned 'Best and Fairest' but on the down side we suffered some disruption in the front row due to injuries throughout the season and significant losses to injury and personal retirements with James Frayne retiring due to health reasons and Tobias Hall retiring after the sad loss of a personal friend from Uni.

In the backs we have seen Captain Zac Harding being much improved this year, being the 2nd highest points scorer for Brothers and 4th in the 3rd grade competition overall, earning himself the 'Best back' award for 3rd Grade and a solid selection for 2nd Grade towards the end of season, ably backed up by fly half Tom Giorgas and Anthony Steele, also a special mention for young wing Dan Jenner who has been plagued by injuries throughout his short career with Brothers, despite missing the last four games of the season and the semi this year his personal tally of 17 (15-3rd Grade, 2-4th Grade) tries resulted in him finishing joint top try scorer in the club, and no doubt helped gain Brothers 3rd spot in the 3rd Grade competition.

To cap off, a very good offensive season, a deserved 3rd place finish and giving special mention to a few up and coming players, those being utility back Dan Wilson, wing/centre Dylan Regan and scrum half Craig Seaton.

Finally a big Thank you to Coaches Tim McKellar and Nick Panter for their help with the squad this year I hope they will return in 2012

A strong focus on forwards stability and defensive structure for next year

QSRU – Wyatt Cup

The 2011 year saw a fresh group of debutants to the Friday night dynasty. With injuries and retirements from last year, numbers would need to be found. Ads were placed on milk cartons and in a world wide rugby publications (Play Boys etc). What started as a dribble will be remembered as the flood of 2011. Players from as far away as Brisbane West to Ireland, England and Scotland. Word had even reached Neil (Buckwheat) Johansson who after awaking in a rat infested toilet in some Mediterranean port spied the ad on the back side of the centerfold page. Not to forget the code hoppers from NFL (who were shocked to learn that helmets and body armour were out, but soon warmed to the task of flesh on flesh).

The Wyatt Cup season started 8th April but the mighty Friday night fish eaters wouldn't get to hit the field in anger till 29th April, 3 weeks of waiting saw us keep The raving Irish scoreless we were on our way. The next game we came up against the Animal Fiddlers, Ag Vet, 40 odd young country boys that can run all day, with a ref that was just as young and fit we couldn't keep up.

We won the next week, lost the one after that, won the next one, lost the following one, some thing had to give there was no consistency then we played the Cadaver Cutters (Aka Med XV). A good hard game that saw them hang our carcass out to dry or they were to surgical for us, you get the picture.

A couple of losses followed, training numbers fell, word had hit the sheds that Dougie Stevens would make a comeback if the trend continued, this was enough to fire the boys into a frenzy and a win was had, Dougie's Boots stayed in the closet. A few more losses a couple of wins and the season was over, 6th on the ladder

Special highlights include Roy's (aka Terry Mead) 20 second injection from the bench which included taking an intercept, only to be mowed down and sustain an injury that would see him on the sideline for weeks. Then there was Sam Hazell's solo effort to score against Wests. Another highlight included Jason Luks 40mtr sprint for the line only for him to stop at the twenty yes stop there was no defender near him.

Old, not so old, young and not so young bodies wouldn't have been able to run on and stay on if it wasn't for our dedicated and loyal strapping and medical staff thanks again Sue, Jake and family. It always amazes me what electrical tape can hold up or sometimes even down.

NOTE1. STATEMENT OF ACCOUNTING POLICIES.

The principal accounting policies adopted by Brothers Rugby Club Inc (herein referred to as the Club), are stated in order to assist in a general understanding of the Financial Statements. These policies have been consistently applied except as otherwise indicated.

The Club is not a reporting entity because, in the opinion of the Directors of the Club, there are unlikely to exist users who are unable to command the preparation of reports so tailored as to satisfy specifically all of their information needs. These accounts are therefore Special Purpose Financial Reports that have been prepared solely to meet the requirements to prepare accounts under the Club's Constitution.

No other Accounting Standards have mandatory applicability.

The accounts have been prepared on a historical basis, and do not take into account changing money values except where buildings have been revalued.

The following is a summary of significant accounting policies adopted by the Club in the preparation of the accounts.

Property, Plant & Equipment.

Property, Plant and equipment are included at cost except where Buildings and other assets have been revalued. These assets are written off as an expense over their estimated economic useful life

The rate determined is 1% (Straight Line Method) for buildings and fixtures, 10% (Straight Line Method) for office and kitchen improvements and various rates as required for plant & equipment.

Units in S'Side Bingo Unit Trust – at cost 70279 21053
 During 1994, a Property Unit Trust was established by the holders of sessions at Southside Bingo to enable purchase of property from which bingo is conducted. This Club purchased one unit to ensure it's continued participation in bingo sessions. The unit is worth substantially more based on further property acquisitions and valuations recently undertaken by Southside Unit Trust. During 2010-11, the Directors of Southside Unit Trust recommended a distribution, approved by the unitholders, and in our case this amount was \$49226, and the unit holders were then able to purchase additional units in the trust equal to the amount of their distribution.

AUDITOR'S REPORT TO THE MEMBERS OF

BROTHERS RUGBY CLUB INC

(Formerly known as Brothers Old Boy's Rugby Club Inc)

Scope

We have audited the attached Balance Sheet and Profit and Loss Statement, being a special purpose financial report, of Brothers Rugby Club Inc. for the 12 (twelve) months ended 30 June 2011 as set out on pages 2 to 7 in accordance with Australian Accounting Standards.

The Club's Committee of Management are responsible for the preparation and presentation of the Balance Sheet and Profit and Loss Statement and the information contained therein and have determined that the basis of accounting used and described in Note 1 to the Balance Sheet and Profit and Loss Statement is appropriate to meet the requirements of the Associations Incorporation Act (QLD) 1981 and the needs of the Club. We have conducted an independent audit of the Balance Sheet and Profit and Loss Statement in order to express an opinion to the members of Brothers Rugby Club Inc. on their preparation and presentation. No opinion is expressed as to whether the accounting policies used, and described, in Note 1, are appropriate to the needs of the members.

The Balance Sheet and Profit and Loss Statement have been prepared for distribution to members for the purpose of fulfilling the requirements of the Associations Incorporation Act (QLD) 1981. We disclaim any assumption of responsibility for any reliance on this report or on the Balance Sheet and Profit and Loss Statement to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the Balance Sheet and Profit and Loss Statement and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the Balance Sheet and Profit and Loss Statement are presented fairly in accordance with the accounting policies described in Note 1 to the Balance Sheet and Profit and Loss Statement. These policies do not require the application of all Accounting Standards.

The audit opinion expressed in this report has been formed on the above basis.

Qualifications

Income

As is common for organisations of this type, it is not practical for the Brothers Old Boys' Rugby Club Inc. to maintain an effective system of internal control over income until entry in the accounting records. Accordingly, our audit in relation to receipts was limited to amounts recorded.

Property, Plant and Equipment

All property assets of the Club are constructed on Brisbane City Council land over which the club holds a sporting lease. This lease is due to expire on 6 October 2012. The property assets are not an asset for which a commercial sale price can be established.

Under these circumstances, there is a significant uncertainty that the property, plant and equipment are recorded in excess of their recoverable amount. We are unable to assess the amount by which the carrying amount may or may not exceed the recoverable amount.

Going Concern

The accompanying financial statements have been prepared assuming that the Club will continue as a going concern. As noted in the financial statements, the Club has suffered recurring losses and has a net current capital deficiency. These conditions raise doubt about its ability to continue as a going concern without external support. The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or the amount and classification of liabilities that might result should the Club be unable to continue as a going concern.

Qualified Audit Opinion

In our opinion, subject to the qualifications noted above the Balance Sheet and Profit and Loss Statement of Brothers Rugby Club Inc. for the 12 (twelve) months ended 30 June 2011 are properly drawn up so as to give a true and fair view of the state of affairs as at 30 June 2011 and of the deficit for the 12 (twelve) month period ended on that date.
